- ▲ Supplies Air China, China Southern Airlines and China Eastern Airlines

A photograph of an airplane wing in flight, viewed from a passenger's perspective. The wing is white with a red tip and extends from the right side of the frame towards the center. Below the wing, a vast expanse of white, fluffy clouds stretches across the horizon under a clear blue sky. The lighting suggests a bright, sunny day. A dark blue, semi-transparent triangular shape is overlaid on the left side of the image, containing white text.

Air China is depending on our sympathetic and firm supply chains and solutions ever since 1993. Trusted by China's biggest civil airline company, not only reputating us the most substantial inflight products manufacturer and provider in China but also encouraging our excellent products and services to embrace the world.
